38TH
NATIONAL
RALLY

OFFICIAL RALLY
PROGRAMME

CMCA

6 – 12 October 2025

RALLY MANAGER WELCOME/

I would like to extend a big welcome, on behalf of the Rally Team, to our 38th National Rally here in Orange. We have been busy putting together a range of activities, trade stalls, food vendors and great entertainment to give you a fun and friendly 8 days here in the Colour City.

The Rally Team is made up of members who volunteer their time to put on a large event like this. It takes effort, new ideas and a lot of time, without which these rallies would not be viable.

Of course, without you, the attendees, we would not have a National Rally. I for one would be unhappy, as rallies are a great way to meet new friends and gain new ideas – so thank you for your support and attendance.

We have 183 First Timers attending this year – we especially welcome you and hope to see you at many more events in the future. Don't be afraid to get around and ask us for advice – we love to help out where we can, as do all members.

This programme has essential information for you – ranging from what to do in an emergency to what we have planned for each day. By spending a bit of time reading the programme, you can plan your days ahead so you can see and do the things important to you.

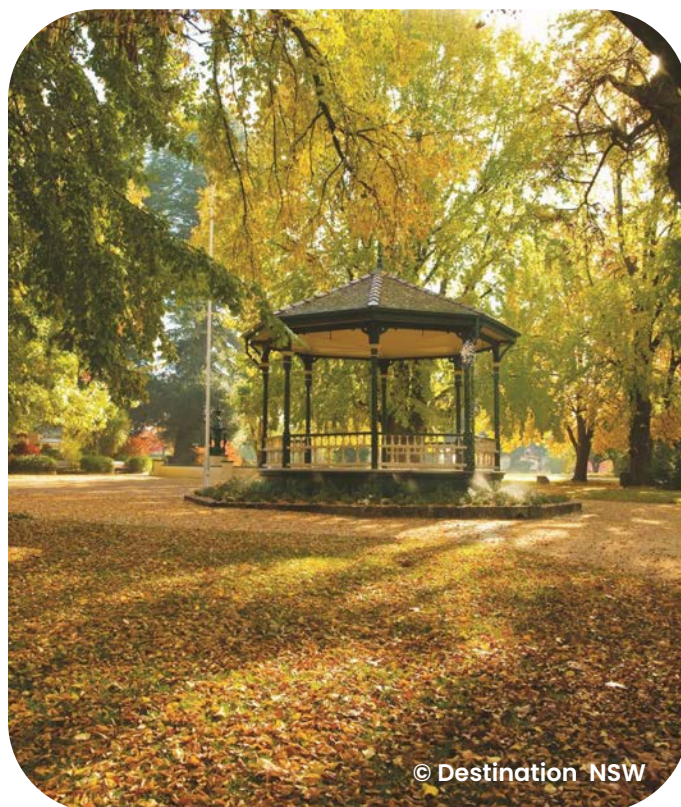

I would like to thank our major sponsors and the local businesses who support our event, and I ask all of you to support them in return. I must also thank Orange City Council for the help they have given us in putting this event together. Drop into the Visitor Information Centre for great ideas on things to see and do around the region.

Lastly, but definitely not least, thank you to our volunteer teams for the effort they put in to keep the Rally safe and trouble free – particularly the Rally Secretary, Nicola Jensen, who has been my guiding light.

Together we can make this National Rally a safe, happy, and memorable event.

Ceud Mile Failte – A Hundred Thousand Welcomes.

MAYOR OF ORANGE WELCOME/

A very warm welcome to Orange.

We're delighted to host the Campervan and Motorhome Club of Australia's annual Rally, and to have so many visitors calling our beautiful region home for the week. Orange is a city that punches well above its weight. Nestled at the foot of Gaanha Bula - Mount Canobolas, we're known for our rolling countryside, striking seasons, and proud food and wine culture. Whether you're into history, heritage, fresh produce, or a great cup of coffee, there's something here for everyone.

While you're here, I encourage you to head to our Visitor Information Centre to get yourself oriented and start your adventure. Here you'll find maps, local tips, and everything you need to know about the best places to eat, visit and discover in the region. It's also next door to our award-winning Orange Regional Museum and Orange Regional Gallery. Both offer permanent and touring exhibitions with something to intrigue and delight everyone.

The Councillors and I look forward to meeting as many of you as possible and being part of the bumper line up of events CMCA has planned.

Whether you're wandering our vibrant parks and gardens, enjoying a long lunch at a cellar door, or taking a scenic drive to our neighbouring villages - we hope you enjoy all that Orange has to offer.

Enjoy the rally, and enjoy your stay.

PAUL COSTA

With a mantle full of awards and many chart hits to his credit, Paul Costa has no desire to slow down. His recent No.1 hit single "Drinkin' Hours", the ultimate upbeat feel good song, showcases his rich vocal range and masterful delivery. In January 2018, during the Tamworth Country Music Festival, Paul was inducted into the Country Music Hands of Fame – highlighting his successful music career. His album, "Whisper In The Crowd" was also named Album of The Year at the People's Choice Awards – an award voted by the fans. Paul was also named a finalist for Male Artist of The Year at the prestigious CMC Music Awards in 2018.

Paul's fifth studio album, "Whisper In The Crowd", released in April, debuted at No.3 on the ARIA Australian Country Chart. The album sees Paul in full flight, both vocally and musically, showcasing a bold new sound for this world-class artist. Always the consummate showman, Paul has built a reputation of being one of the most energetic live performers in Australian Country Music. He has performed at major events both locally and internationally and has had the honour of performing for our troops in East Timor in 2008 and The Middle East in 2019. He is also a proud Ambassador for Mission Australia and the Canberra Police & Citizens Youth Club.

ROBBI AND BEN

Robbi Morgan and Ben Gillard began their musical journey with casual jam sessions that quickly evolved into a dynamic duo. After standout solo performances at the NSW Schools Spectacular in 2022 and 2023, they officially teamed up at the 2024 Tamworth Country

Music Festival. Their breakthrough came when they won Best of the Buskers at Tamworth, leading to major opportunities, including a 2024 performance at Qudos Bank Arena and appearances on Channel 7. In 2025, they returned to Tamworth to perform on the festival's biggest stages, sharing the spotlight with Golden Guitar nominee Jayne Denham and opening for Star Maker winner Loren Ryan. With rich harmonies, standout musicianship, and high-energy performances, Robbi and Ben have quickly gained a devoted following and industry attention.

JARROD SHAW AND JOHN O'DEA

From the moment the first note rings out, Jarrod Shaw's passion for blues music is unmistakable. With every performance, he delivers a soulful and authentic blues experience, played with heartfelt conviction. Born and raised in the heart of country Victoria, in the Macedon Ranges, Jarrod taught himself to play guitar by soaking in the sounds of legendary blues icons, as well as the local Melbourne blues scene. Over the years, he's honed his craft through countless solo gigs, developing a style that's distinctly his own.

Jarrod blends the intricate rhythms of country-blues fingerstyle with a powerful voice, often described as sounding far beyond his years. Combining his voice, guitar and a wailing harmonica, it's clear that he's a one-man powerhouse, so much so that if you close your eyes, you might swear there's more than one musician on stage.

John O'Dea is an Australian-based singer-songwriter with a wealth of material to draw upon on any given night. The two-time Golden Guitar finalist and multiple TSA Award winner has recorded eight albums and

been honing his craft over a lifetime. John now works part time as an entertainer on the Murray Princess out of Mannum entertaining guests from all over Australia and overseas. When he's not on the Murray Princess he travels entertaining audiences around South Australia and performing at festivals in all parts of Australia from his home in Orroroo, South Australia. John also has a huge repertoire of cover songs he has accumulated over many years of entertaining people of all ages. John and Jarrod's songs and stories promise a night to remember.

JAMIE LINDSAY

Jamie Lindsay is one of Australia's most energetic and engaging performers. Born and raised in Tasmania, he began his music career at 17, cutting his teeth in pubs and clubs across the country. From backyard BBQs to major festivals and even the USS Missouri in Pearl Harbor, Jamie has performed it all, building a strong connection with audiences along the way. A Starmaker Top 10 finalist in the late 90s, he later ventured into rock, forming Kings, Queens and Fairytales and working with legends like Tim Farris (INXS) and Harry Vanda (Easybeats). After the band disbanded in 2013, Jamie returned to country music, releasing three solo EPs before his 2020 debut album Eleven. His 2024 follow-up album, 1977, debuted at No.1 on the ARIA Australian Country Chart. Now based on the NSW Central Coast, Jamie is currently working on his third album, due in 2025, with acclaimed producer Rod McCormack.
